## DAY OF DRUMMING PROGRAM

### Why have a drum circle?

- Teaches your students cross-cultural skills, expression, and creative skills.
- A drum circle teaches important skills in teamwork, self-expression and communication.
- Transcends differences in age, culture, and talent.
- Students will drum as a group. Both shy and outgoing students have fun drumming together.

### What happens during the activity?

- Students will learn about the music and culture of West Africa
- Students will be given a drum to play.
- We will sing traditional songs.
- Various rhythms will be taught and improvisation will be encouraged.
- We smile while getting to beat things!

### Cost/Logistics

- Flat rate for a whole day (includes travel). Call for current rate.
- \*Multiple School Discount
- After school program price range is \$250-350 + travel
- For grades kindergarten and up.
- All students can drum between 45 and 60 minutes.
- Currently have 200 drums, ask about options to accommodate more students if you have more than 200 in one session

“Rhythm Path is a great opportunity for all students in that every child gets the chance to play a drum at the same time. David’s instruction is soundly based within the state curriculum and allows for music teachers to supplement their lessons nicely. I would highly recommend this program to EVERYONE!” – Victor Lozada, Denton ISD
