# DAY OF DRUMMING PROGRAM

[www.RhythmPath.com](http://www.RhythmPath.com)

## Why have a drum circle?

- Teaches your students cross-cultural skills, expression, and creative skills.
- A drum circle teaches important skills in teamwork, self-expression and communication.
- Transcends differences in age, culture, and talent.
- Students will drum as a group. Both shy and outgoing students have fun drumming together.

## What happens during the activity?

- Students will learn about the music and instruments of West Africa
- Students will be given a drum to play.
- We will sing traditional songs.
- Various rhythms will be taught and improvisation will be encouraged.
- We smile while getting to beat things!

## Cost/Logistics

- Cost includes a basic rate plus a travel fee. Contact us for an exact cost.
- For grades kindergarten and up.
- Up to 200 students in one session. Larger groups are possible, but we highly encourage splitting the group into two sessions or booking multiple days.
- Program includes four 45min sessions scheduled in the morning. Additional cost for afternoon sessions.
- Rhythm Path will bring all needed instruments and sound equipment.

“Rhythm Path is a great opportunity for all students in that every child gets the chance to play a drum at the same time. David’s instruction is soundly based within the state curriculum and allows for music teachers to supplement their lessons nicely. I would highly recommend this program to EVERYONE!” – Victor Lozada, Denton ISD
